Homes, Studios & Galleries

Bring your camera! The jaw-dropping homes and landscapes, studios and shops, and galleries we visit will create an unforgettable San Miguel experience:

- A personal tour of the most unusual home and gallery in all of Mexico, **Made by Anado**, where the owners share the stories behind the buildings, walls, and art installations.
- A second extraordinary home in a lush setting and Trip Advisor's #1 San Miguel shopping destination: **Galeria Atotonilco**, showcasing 6,500 sq. ft. of the best folk art from all over Mexico, Colombia, Guatemala, and beyond.
- The "Sistine Chapel of Mexico," **Santuario de Atotonilco**.

Light snacks and bottled water will be provided. An optional, no-cost tour extension may be added at the drop-off location to explore the region's most comprehensive arts complex: Fábrica la Aurora.
